

Qualution

Quantum computing learning platform

Certificate of Completion

This certifies that

Aarav Sharma

has successfully completed the Qualution learning programme in
Quantum Information Science & Quantum Circuit Engineering

Universal gate operations

Grover's algorithm

Multi-qubit entanglement

Variational algorithms
& adaptive simulation

92% (A+)

Final score

99.82%

Average state fidelity

29 September 2026

Date of issue
